NATURE EXPERIENCES & NOTEBOOK				
Day 5 is meant to have extra time allotted for a longer nature experience.				
THE CHILDREN'S HOUR				
Bring the family together to read aloud literature, tales, and poetry as well as conduct your picture study. You may also wish to make this a tea or snack time.

QUIET TIME & EXTRACURRICULARS				
Give your students this afternoon time to use for independent reading, additional drawing, painting and brushwork, handcrafts, instrument practice and extracurricular activities. Play the selected pieces of the composer being studied during this time. Older students might work on their Book of Centuries, Copybooks or Commonplace Books. Younger students might make entries into their copybooks, but at this level should still be supervised.				
DINNER/SUPPER				
STORYTIME/GAMES/INDEPENDENT READING				
Use this time for reading aloud or as time for older children to read independently. Some books which don't fit within the "Children's Hour" may overflow into this time period. Playing games as a family is always a great option.
